

SATURDAY IMAGING STUDY USING PAINT SHOP PRO VERSION 8

TOPICS LIST, STARTED OCTOBER 1, 2005

2005

This group started October 1, 2005, will continue as long as there is interest in continuing to learning more about Paint Shop Pro version 8.

Downloadable topics are exercises based on the description and examples shown during meetings and are not progressive how to lessons. Anyone interested in trying them on that have not attended the meetings may do so.

The meetings will continue till late May 2006, will not pick up again until October of 2006 if interest remains.
